DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

Upon discussion with Mr. David Nakly, this letter is to clarify response date requirements. It appears that two copies of the same Non-Final Office Action were mailed, one in January, and one on Feb. 12, 2010. PALM records control in such matters, and since there is no recorded indication of mailing in January, the recorded mail date of Feb. 12, 2010 is controlling. Therefore, the time requirements for such actions as the shortened statutory response period run from the Feb. 12, 2010 mail date.
